GOD'S PHARMACY

It's been said that God first separated the salt water from the fresh, made dry land, planted a garden, made animals and fish... all before making a human. He made and provided what we'd need before we were born. These are best & more powerful when eaten raw. We're such slow learners...

God left us great clues as to what foods help what part of our body!

For example!:

A sliced **carrot** looks like the human eye. The pupil, iris and radiating lines look just like the human eye... and YES, science now shows carrots greatly enhance blood flow to and function of the eyes.

A **tomato** has four chambers and is red. The heart has four chambers, is red. All of the research shows tomatoes are loaded with lycopine and are indeed pure heart and blood food. **Grapes** hang in a cluster that has the shape of the heart. Each grape looks like a blood cell and all of the research today shows grapes are also profound heart and blood vitalizing food. A **Walnut** looks like a little brain, a left and right hemisphere, upper cerebrums and lower cerebellums. Even the wrinkles or folds on the nut are just like the neo-cortex. We now know walnuts help develop more than 3 dozen neurotransmitters for brain function.

Kidney Beans actually heal and help maintain kidney function and yes, they look exactly like the human kidneys.

Celery, Bok Choy, Rhubarb and many more look just like bones. These foods specifically target bone strength. Bones are 23% sodium and these foods are 23% sodium. If you don't have enough sodium in your diet, the body pulls it from the bones, thus making them weak. These foods replenish the skeletal needs of the body.

What a wonderful God to provide us with such a store house of goodness!
(More next week if space allows!!)

- 'For ever and ever*That's eternity.*

NOTES from the Church Members Meeting (Mon 12th April 2010)

There are now 56 members at MBC

Matters Arising:

1. **7.14:** Regular number of between 8 and 12 attendees. (Mainly the same people). Members of the fellowship should consider attending whenever possible.
2. If you are away on holiday or unable to attend a service on a Sunday, and would like a recording of the service, please speak to Ken Campbell who will be able to arrange one for you.
3. Free training day in June for Prospects - see Wendy Richards for further details
4. Pigeon holes -please remember to use these for anything you wish to pass on to church officers as this will leave them free to worship on Sundays

Finance Report

Accounts presented by Alan Jacob. The Gift Day had a good response and by the date of the meeting it had raised in excess of £3500. Gift Aid Tax Relief should swell this figure. Although we have had a good response, the collection is on-going to raise the money required for the feasibility study.

Church Fabric

Drainage work is now complete and there is no more pressing work to be done.

Church Project 'We need a bigger church'

There has been a steering group established and terms of reference have been drawn up. There have already been preliminary discussions with Madeley Parish Council. One quote has been obtained for the feasibility study and a further two quotes from local companies are to be sought.

Minister's time management

Keith will be taking all day every Thursday off, and during this time, Paul and Marjorie Booth will take day to day calls. Anything that is extremely urgent will still be addressed by Keith who thanked the Deacons and Elders, both current and outgoing for their support and assistance.

Saturday Prayer Meetings - Vicky commended all to attend Saturday prayer meetings - which take place once a month prior to the Monday monthly Members meeting.

Bible Studies

Bible studies are going well, and plans are to be formulated for the next set of study groups. The Bible Study will continue throughout July and August and will not stop for the holiday period. There are plans being discussed to have a Bible Study in the evening from September and it will be the type of study that will be 'stand alone' i.e. each week will be a complete study of one subject. Thanks are due to Bron and Jon Battye for the use of their house for the Bible Studies.

Church Shop (Edwin)

Edwin asked everyone to consider when shopping on line, to shop via the Church shop website as this gives a contribution to the church of between 3% and 5% without involving the buyer in any extra cost. Many major high street names are on the shop website and the link can be followed from the Madeley Baptist Church Website. (see the back of this news letter)

Our World Nursery

The nursery needs more children, especially in the 3 - 5 yr age group as it seems that it is this group that generates government grants. If you know of anyone looking for a nursery, please suggest our nursery. The current Manager has resigned and her deputy has expressed an interest in taking over the post. (To be confirmed). Our thanks to Bridie for all the work she has done. There is to be an open day on the 24th April for anyone who is interested to attend.

Boys Brigade

Jacque: Situation has improved and more parents are involved, but help is needed with the junior section. The Company Section needs a female leader as there are girls who want to join. A carwash is planned and a sponsored hike up Snowdon are planned (see notice board in church which gives details). The BB currently meets in the rest room, but are planning to look for new premises.

HEBA FAMILY DAY 12.6.2010

This will run from 9.30am - 3pm at Madeley Academy. It has been suggested that MBC do the front of house work for this and we are looking for teams who will sign people in and generally help out on the day

AOB

Blessing of Grace and Jonathan 1st May 2010 - this will be a cafe style service - Marjorie will be organising the food and layout of the church. She is looking for assistance on Friday afternoon 30th April.

Christian Aid Week Starts Sunday May 9th - volunteers for distributing and collecting envelopes are needed. Please see Marjorie Booth if you can help with this.

Photos for the website: If you have any photos for the website, please email them to Edwin who will put them on.

Date of Next Meeting: May 10th 2010 @ 7.30pm

Breaking News - Grace and Jonathan are now married and will be home this weekend from Ghana - we wish them both many blessings and a long and happy married life together. The celebration will still take place here at MBC on 1st May at mid-day.

East Shropshire Talking Newspaper would like to hear from anyone who is sight-impaired and who would like to receive the weekly news/magazine tapes. Also, anyone who could volunteer to help on a Wednesday or Thursday - please speak to Bette if you can help.
