## Taken from the book - Thoughts to Make Your Heart Sing by Sally Lloyd-Jones & JAGO

### Dance

In the beginning, God sang everything into  
Being - for the joy of it - and set the whole  
universe dancing.

God was the centre, at the heart of everything.

Like the dance of the planets before the sun -  
turning, spinning, circling, wheeling, revolving,  
orbiting round and round - God made everything  
in his world and in his universe and in his  
children's hearts to centre around him - in a  
wonderful Dance of Joy!

It's the Dance you were born for:

"The morning stars sang together, and all the  
sons of God shouted for joy". JOB 38: 7 (KJV)

Dear Friends,

As we journey together through the season of Lent, I invite each of you to take time for reflection, prayer, and drawing closer to God. Lent is a period that encourages us to pause, consider our lives and renew our commitment to loving service, both within our Church family and out in the wider community. Whether you are giving something up or taking something on, may this season be an opportunity to grow in faith and deepen your relationship with Christ. For resources that correlate with our Sunday Services - although we have changed the order a little, please visit: [www.cofe.io/DrawNear](http://www.cofe.io/DrawNear)

Let us support one another in prayer, encouraging each other as we prepare our hearts for the hope and joy of Easter. If you are facing challenges or would simply like someone to pray with you, please do reach out - we are here for each other. May we all experience God's peace, love and guidance in this special time, and emerge renewed as His people.

With every blessing,  
Jennie

### Supporting our Community

There is ongoing need for basic food stock items and 'listeners' to support Food Share attendees. If you can help, please place your donation, at any time, into the large container at the back of Church by the Sound Desk, and speak with Meena if you would like more information about 'listening'.

Thank you.
